Task Challenge

Using Favorites

1. Do a search to find books for your student.

2. Click the red heart in the upper right hand corner of the page.

3. Click on the outline of the heart on the books you want to add to favorites (the heart should fill in solid red when you click on it).

4. Go to the main menu and select "Favorites"

5. Bookmark this page and rename it with your student's name.

6. Your student can then access the books you want them to read on their bookmarked page.

7. You can also copy this URL and send the link to parents for your students to read at home.
